- are able to relay, publish and exchange knowledge of medical science. Especially in area of medical technology to the public; both in national and international.

- Program B, a Bachelor's degree in a field subject to the approval of the program's Executive Committee with a minimum cumulative grade point average (GPA) of not less than 2.50 or working experience of not less than 2 years in medical science and related fields.

Document Required:

1. Letter of recommendation (if any)
2. Letter of permission (if any)
3. Other supporting documents

Closing Date for Nominations:

Closing date for application: February, 2018

Starting date for preparation courses: June-July 2018

Starting date for program: September 2018

Late or incomplete applications/document will not be considered.

Course Title

Master of Science Programme in Epidemiology (International Programme)

Master Degree: Master of Science Programme in Epidemiology (International Programme)

Academic Institution: Faculty of Medicine, Prince of Songkla University

Duration: 2 years

Objectives:

1. To comply with the rules and regulations of the organization and society
2. To conduct morally and ethically sound research
3. To demonstrate the fluent skills to conduct a literature search using information technology and summarise the results effectively
4. To appropriately and critically appraise and interpret the results of statistical analyses
5. To design a research study which is valid and relevant to the health problems and utilised for improving health
6. To demonstrate the systematic knowledge in theoretical and practical aspects of epidemiology which is relevant to the current global situation
7. To use statistics and research technology to analyse problems at the national and international levels
8. To manage epidemiological data and create a database for entering and storing this information which is useful for international publications
9. To demonstrate knowledge and skills of academic and research presentation which is pertinent to professional diversity

Course Synopsis & Methodology:

This is a sandwich-type international programme. In the first year students will attend classes at Prince of Songkla University in which all students will gain knowledge and skills in epidemiology, statistics, research methodology, database management, critical appraisal of research studies, qualitative research and field work. In the second year students will concentrate on their thesis which should focus on the importance of health problems in the student's own country using good research methodology. In the first half of the second year the students will collect data at their home institution. The later half is for data analysis and preparation of the thesis and manuscripts for publication in international journals.

The thesis

The thesis demonstrates the capability of the student in conducting a well-planned research study of international standard.

A Master thesis is the beginning of professionalization for an epidemiological research career. The proposal will be prepared and refined in parallel with the progress of the coursework through group discussion before submission for approval by the Committee for Graduate Study of the University by the end of the first year. Data collection will be undertaken for a period of six months in the student's regular place of work. Final analysis and preparation of the thesis will occupy the final six months in Prince of Songkla University to ensure quality of work and success.

Qualification:

1. Direct collaboration between our institute and the institute of the applicant.
2. Research funding from the applicant's organization or a funding agency in the applicant's country which will provide administrative support for the data collection phase during the second year of study.
3. Previous work experience related to health
4. Healthy and active
5. Good command of English
6. Age not more than 40 years (preferable)
7. Having publication in a peer review journal in local or international paper.

Document Required:

- Application form
- A medical examination report which includes results of chest x-ray, complete blood count, urinalysis and HIV test.
- An official transcript from all institutions of higher learning attended.
- Curriculum vitae, including a list of publications if available.
- An official report of the result of the English language proficiency examination (TOFEL 500, IETLS 5.0 , CU-TEP \geq 60, PSU-TEP \geq 60).

Closing date for Nominations: April 15, 2018

Late or incomplete applications/documents will not be considered.

Course Title

**Master of Science Program in Social, Economic and Administrative Pharmacy
(International Program)**

**Master Degree: Master of Science Program in Social, Economic and Administrative Pharmacy
(International Program)**

Academic Institution: Faculty of Pharmacy, Mahidol University.

Duration: 2 years

Objectives: A graduate of this program will be able to explain knowledge and to conduct a research relating to social, economic and administrative pharmacy. Then, he or she can apply the knowledge and skill in management of public health.

Course Synopsis and Methodology: One year of course work followed by another year of thesis
Plan A2

Required Courses	15	Credits
Elective Courses not less than	9	Credits
Thesis	12	Credits
Total not less than	36	Credits

Course content/Study Topics:

- The test date must be within previous 2 years before application date.
- Applicant who obtained a valid English score must submit an official score certificate along with your application. Otherwise, your English score will not be considered.

- Detail of English Competency Standard for Admission:

<http://www.grad.mahidol.ac.th/en/current-students/language-center.php>

7. Two copies of Curriculum Vitae

8. Two copies of Statement of Purposes and Career Goals

9. Two copies of Scholarship letter (if any)

10. Two copies of Concept paper/research proposal (recommended for all applicants)

11. Two copies of additional documents may be requested by each program (such as letter of work experience/professional license/related certificates and awards)

- All documents must be in pdf format (maximum size 2 MB)

- Recent photograph must be in jpeg format only (maximum size 2 MB)

Closing date for Nominations: November 30, 2017

April 30, 2018

Late or incomplete applications/document will not be considered.

URGENT
No. 04001/714

**ROYAL THAI EMBASSY
DHAKA**

The Royal Thai Embassy presents its compliments to the Ministry of Finance of the People's Republic of Bangladesh and has the honour to inform the latter that Thailand International Cooperation Agency (TICA) in cooperation with Thai universities/Academic Institutions would like to announce the scholarship for Master Degree/Diploma Certificate under the Thailand International Postgraduate Programme (TIPP) for the year 2018.

The TIPP programme is a framework in providing developing partners which aims at sharing an important pillar to revitalize South-South Cooperation. TIPP offers opportunities for Thailand and its partners to exchange their experiences and best practices that would contribute to long-term and sustainable development for all, particularly through human resources development.

Aiming at sharing Thailand's best practices and experience to the world, the scholarships are offered on a wide range of development-related topics under the four plus one themes. The highlighted themes are Sufficiency Economy Philosophy (SEP), the key factor behind Thailand's achievement of sustainable development in many areas. The other themes are areas in which Thailand's best practices can help address global challenges, namely, Food Security, Climate Change, Public Health and other Sustainable Development Goals (SDGs) related topics.

A number of sixty (60) scholarships are made available throughout 2018-2020 under the TIPP scheme. Attached herewith are lists of the scholarships, Guideline for TIPP, list of eligible countries/territories and application forms for the Ministry's perusal.

In this regard, the Royal Thai Embassy has further the honour to request for the Ministry's kind assistance in conveying the announcement for the above-mentioned postgraduate programme to the relevant government agencies/offices. Please note that each eligible country/territory is invited to nominate up to five (5) candidates per scholarship and the application must be submitted to TICA through the Royal Thai Embassy in Dhaka. Qualified applicants are strongly encouraged to submit the applications by 16 February 2018. For more information, please visit www.tica.thaigov.net. Or email tipp@mfa.go.th

The Royal Thai Embassy avails itself of this opportunity to renew to the Ministry of Finance of the People's Republic of Bangladesh the assurances of its highest consideration.

Economic Relations Division,
Ministry of Finance,
